Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art made of record does not teach or fairly suggest the combination of elements as recited in the following independent claim(s). Specifically, the prior art of record does not teach:

a product demand quantity determining section which calculates a reduction rate of the numbers of business transactions which are obtained by said calculation section based on the calculations successively done at two times, and determines a demand quantity of the product based on the calculated reduction rate

The dependent claims being definite, further limiting and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
